Morgan Foundation Entrepreneur Awards 2010

Date: Thu 11th November, 2010

Venue: Carden Park Hotel, Chester, CH3 9DQ

The Morgan Foundation Entrepreneur Awards were established in 2007 and are designed to encourage entrepreneurship in the North West and North Wales - whether in new businesses, young entrepreneurs, social enterprises or charities.

In 2008 the Awards were extended to Wolverhampton to reflect the area covered by the Morgan Foundation and Wolves Aid (part of Wolves in the Community Trust).

The 2010 Awards are now open for entries and you can apply any time between now and the closing date of 10 September.

An independent panel of experts will judge all the entries in the 2010 Awards and choose the finalists. Finalists will be invited to present to a panel of judges on either 4 or 5 of October at Carden Park Hotel near Chester and the winners will be announced at the Gala Awards Night on Thursday 11 November.
